Hon. C. Boyden Gray
Counsel to the President
Executive Office of the President
Second Floor, West Wing
1600 Pennsylvania Avenue, NW
Washington, D.C. 20500

Dear Mr. Gray:

The Committee on Banking, Finance and Urban Affairs will hold a hearing on the need for and function of the lawyers group established by the White House related to the congressional investigations of pre-invasion Iraq policy. As a member of that group (see attached memo), you are invited to testify on May 29, 1992, at 9:30 a.m. in Room 2128, Rayburn House Office Building.

Please address the following questions in your testimony

1. Why did the Executive Office of the President join this group? Who at the Executive Office of the President authorized such participation?
2. Please provide a list of all meetings held by the lawyers group referred to in the attached April 8, 1991 National Security Council (NSC) memo that you or any Executive Office of the President representative attended. Please include the topic of each meeting and those persons attending each meeting. In addition, please provide the Committee with all notes, memorandums, meeting minutes, letters, etc., originated as a result of each meeting.
3. Has the Executive Office of the President ever received any communication from the White House, the State Department, the NSC or any other department asking the Executive Office of the President to withhold information from Congressional Committees investigating the Administration's Iraq policy? If so, please explain and provide documents, if available.
4. Did the State Department, White House or NSC ever review and/or clear information that was submitted by the Executive Office of the President to Congressional Committees in

response to information requests concerning Iraq or BNL?
Please explain.

Banking Committee rules require your written testimony to be made available to Members of the Committee forty-eight hours in advance of a hearing. Accordingly, please deliver 200 copies of your written testimony to Room 2129 Rayburn House Office Building by 9:30 a.m., May 27, 1992.

Thank you for your time and consideration of this request. The Committee looks forward to your testimony.

With best wishes.

Sincerely,

Henry B. Gonzalez
Chairman
